Summer Passports Glazer Children's Museum

Camp Title	Age Group	Dates	Camp Description
The Art of Storytelling	Ages 6-10 Edades 6-10	July 7-11 Del 7 al 11 de julio	Explore the different methods of storytelling through content creation! Create a graphic book, record videos and podcasts, capture moments through photography, tell stories, and create a portfolio that represents your story. ----- ¡Explora las diferentes técnicas para contar historias a través de la creación de contenido! Crea un libro gráfico, graba vídeos y podcasts, captura momentos a través de fotografías, cuenta historias y crea un portafolio que represente tu historia.
Epic Exploration	Ages 6-10 Edades 6-10	July 14-18 Del 14 al 18 de julio	Discover what exists in the depths of the ocean, uncover the thick of the jungles, and venture out into the black holes of outer space in this adventure-themed week of camp! Join us to engineer an igloo, experiment with stalactites, make moon rocks, and explore shipwrecks in the deep sea! ----- ¡Descubre lo que existe en las profundidades del océano, explora la espesura de las selvas y aventúrate en los agujeros negros del espacio exterior, en esta semana de campamento centrada en la temática de Aventuras! ¡Únete a nosotros para diseñar un iglú, experimentar con estalactitas, hacer rocas lunares y explorar naufragios en las profundidades del mar!
Dinosaur Invasion	Ages 6-10 Edades 6-10	July 21-25 Del 21 al 25 de julio	Stomp, roar, chomp! Meet Big John and learn about his old friends! The Mesozoic era comes to life as we learn about dinosaurs, big and small. Become a paleontologist while digging for dinos, making fossils, and studying prehistoric plants and animals ----- ¡Pisotea, ruge, muerde! ¡Conoce a Big John y aprende sobre sus viejos amigos! La era Mesozoica cobra vida a medida que aprendemos sobre grandes y pequeños dinosaurios. Conviértete en paleontólogo mientras excavas en busca de dinosaurios, creas fósiles y estudias plantas y animales prehistóricos.

CAMP Hours: 9:00AM-4:30PM

Drop-off: 8:30AM-9:00AM Pick-up:

4:30PM-5:00PM

Bring own lunch or \$60 (Payable by family)

Materials Needed: None

Camp Title	Age Group	Dates	Camp Description
Curiosity Lab	Ages 6-10 Edades 6-10	July 28- August 1	<p>Grab your lab coat and goggles and spend the week exploring and celebrating all things science! We will explore physics, chemistry, and forensic science during this 3-day camp. Join us this week to walk on eggshells, launch rockets, and extract DNA.</p> <p>-----</p> <p>¡Toma tu bata de laboratorio y tus gafas para pasar la semana explorando y celebrando todo lo relacionado con la ciencia! Exploraremos la física, la química y las ciencias forenses durante este campamento de 3 días. Únete a nosotros esta semana para caminar sobre cáscaras de huevo, lanzar cohetes y extraer ADN.</p>

CAMP Hours: 8:00AM-5:30PM

Lunch and Snacks provided.

Extra Materials Needed:

Wear Athletic clothing & sneakers

Bring Water Bottle. If they go on ice, may need bike helmet, pants, gloves & sweater.

Campers receive: T-shirt, swag bag, materials/equipment.

Summer Passport Lightning Foundation

Camp Title	Age Group	Dates (5 weeks)	Camp Description
Multi-sport Summer Camp	Completed 1-2nd grade (Ages 6-8) (Edades 6-8)	June 9 June 16 June 23 July 7 July 14	We will have a variety of sports, crafts, and entertainment for the kids to enjoy all day at camp!
	Completed 3rd- 5th grade (Ages 8-11) (Edades 8-11)	Junio 9 Junio 16 Junio 23 Julio 7 Julio 14	While focusing on sports with an emphasis on ball hockey!
	Completed 6th- 8th grade (Ages 12-14) (Edades 12-14)		Tendremos una variedad de deportes, manualidades, y entretenimiento para que los niños disfruten todo el día en el campamento! Mientras se enfoca en los deportes con énfasis en el Hockey con pelota!

CAMP Hours: 9:00AM-4:00PM

Pre-Camp: 7:00-9:00AM Post

Camp: 4:00-6:00PM

Lunch and Snacks NOT provided

Campers receive: T-shirt

Summer Passports Museum of Science and Industry (MOSI)

Camp Title	Age Group	Dates	Camp Description
Discovering Dinosaurs	Completed Kindergarten (Age 6)	June 2-6 Junio 2-6	Scientists are discovering new facts about these incredible creatures every day! Learn what's new, help build a volcano and watch it erupt. Make your own fossil as you explore the world of dinosaurs.
			Los científicos están descubriendo nuevos datos sobre estas criaturas increíbles todos los días! Conoce algo nuevo, ayuda construye un volcán y míralo entrar en erupción y crea tu propio fósil mientras exploras el mundo de los dinosaurios.
Creative Builders	Completed Kindergarten (Age 6)	June 9-13 Junio 9-13	Campers will turn everyday items into amazing creations while learning about the power of upcycling! Through building and crafting, they'll explore how to give new life to old materials in fun and imaginative ways.
			----- Campistas van a convertir cosas diarias a creaciones increíble mientras que aprenden el poder de reciclaje. A traves de construir y arte, se explora como darle vida nueva a materiales viejos in maneras imaginativas.
All About Bugs!	Completed Kindergarten (Age 6) (Edades 6)	June 16-20 Junio 16-20	Get up close and personal with the world of bugs. Through science experiments, insect art projects and real-life bug encounters you will learn how insect see, study the butterfly lifecycle and discover how insects help the garden grow.
			Conozca de cerca y personalmente el mundo de los insectos. A través de experimentos científicos, proyectos de arte de insectos y encuentros con insectos de la vida real, aprenderás cómo ven los insectos, estudia el ciclo de vida de las mariposas y descubre cómo los insectos ayudan el jardin a crecer.

Pre-Camp: 7:00-9:00AM Post

Camp: 4:00-6:00PM

Lunch and Snacks NOT provided

Camper receives: T-shirt

Summer Passports Museum of Science and Industry (MOSI)

Camp Title	Age Group	Dates	Camp Description
Super Me!	Completed Kindergarten (Age 6) (Edades 6)	June 23-27 Junio 23-27	Save the day by becoming a superhero! Choose your superpower, create your own comic, make a costume and do good deeds in this Super Duper session!
			¡Salva el día convirtiéndote en un superhéroe! ¡Elige tu superpoder, crea tu propio cómic, haz un disfraz y haz buenas obras en esta sesión de Super Duper!
Icky & Sticky!	Completed Kindergarten (Age 6) (Edades 6)	June 30- July 3 Junio 30- Julio 3 (No camp on July 4) Campamento cerrado en julio 4	In this slimy class where mixing, stirring, pouring and measuring create some gross mixtures, you get to get messy! Make some cool gooey stuff in this camp as you experiment with goo, globs, oozes and blobs.
			En esta clase viscosa donde mezclar, remover, verter y medir crear algunas mezclas gruesas, se llega a ¡alborotarse! Haz algunas cosas geniales y pegajosas en este campamento mientras experimentas con goo, globs, oozes y manchas
Funny Farmers	Completed Kindergarten (Age 6)	July 7-11 Julio 7-11	Find out where your favorite food comes from by becoming a farmer! Grow plants from seeds, learn about veggies and fruits and milk a "cow". Meet real barnyard animals like goats, ducks and chickens!
			Descubre de dónde viene tu comida favorita convirtiéndote en un agricultor! Cultiva plantas a partir de semillas, aprende sobre verduras y frutas y ordeña una "vaca". Conoce animales de corral como cabras, patos y gallinas!
Kitchen Concoctions!	Completed Kindergarten (Age 6) (Edades 6)	July 14-18 Julio 14-18	Cooking and chemistry are closely related, as you will learn in this camp full of measuring and mixing! Make some chemical reactions and some tasty treats as you stir up some fun!
			La cocina y la química están íntimamente relacionadas, como verás. ¡Aprende en este campamento lleno de medir y mezclar! Haga algunas reacciones químicas y algunas golosinas sabrosas como ¡Remueves un poco de diversión!

CAMP Hours: 9:00AM-4:00PM

Pre-Camp: 7:00-9:00AM Post

Camp: 4:00-6:00PM

Lunch and Snacks NOT provided

Camper receives: T-shirt

Camp Title	Age Group	Dates	Camp Description
Slime Attack	Completed First Grade (Ages 6-7) (Edades 6-7)	June 30-July 3 Junio 30- Julio 3 (No Camp on July 4) (Campamento cerrado en julio 4)	Prepare to get messy as we whip up a week full of zany goos and oohs. Make moving magnetic slime, combine chemicals to create color-changing, fizzing and glowing reactions. Discover what common, ordinary things from your kitchen can make you a mad scientist feared by those who like to be clean. Prepárate para desordenarte mientras preparamos una semana llena de goos y oohs estrafalarios. Haga limo magnético en movimiento, combine productos químicos para crear reacciones de cambio de color, efervescencia y brillo. Descubre qué cosas comunes y ordinarias de tu cocina pueden convertirte en un científico loco temido por aquellos a quienes les gusta estar limpios.
Chocolate Factory Fun	Completed First Grade (Ages 6-7) (Edades 6-7)	July 7-11 Julio 7-11	Turn your desserts into science labs! Explore the science and art behind melting sugars into hard candy and fudge. Discover ways to create houses from sweets. Create edible artwork to add to the fun. ¡Convierte tus postres en laboratorios de ciencia! Explorar la ciencia y arte detrás de derretir azúcares en caramelos duros y dulce de azúcar. Descubre formas de crear casas a partir de dulces Crea obras de arte comestibles para agregar a la diversión.
Superhero Academy	Completed First Grade (Ages 6-7) (Edades 6-7)	July 14-18 Julio 14-18	Discover the science of superheroes and learn what it takes to save the day. Through fun experiments and activities, campers will explore “superpowers” like magnetism, strength, and flight while creating their own superhero identity. Discubra la ciencia de ser un superherero y aprende lo que se necesita hacer para salvar el dia. A traves de experimentos y actividades, los campistas exploran “super-poderes” como magnetism, fuerza, y como volar mientras que de crean su propio identidad como un superherero.

Camp Title	Age Group	Dates	Camp Description
Fantastic Fliers	Completed Second Grade (Ages 7-8) (Edades 7-8)	June 2-6 Junio 2-6	<p>In this camp you will soar into the world of flight as they explore the fascinating principles of aviation. Campers will engage in hands-on activities, learning about the science of flight through interactive lessons and creative projects. Campers will be able to design, engineer, and test their own paper airplanes, experimenting with different shapes and materials to see which ones fly the farthest and fastest.</p>
			<p>En este campamiento vas a explorar el mundo de volar mientras que aprendas los principios fascinantes de aviacion. Campista participan en actividades practicas, aprenden la ciencia de volar con lecciones interactivas y proyectos creativos. Campistas van a crear su propio avion de papel y experimentar con diferentes formas y materiales a ver cual vuela más lejano o rapido.</p>
Art of Science	Completed Second Grade (Ages 7-8) (Edades 7-8)	June 9-13 Junio 9-13	<p>Unleash your creative side as you use science to create unique artwork. Learn about the science of color, music, and more! Use a splash of chemistry and a stroke of genius to craft a masterpiece.</p>
			<p>Suelta su lado de creatividad en lo que usas ciencia para crear arte unico. Aprende la ciencia de color, musica, y mas! Usa quimica y un toque de genio para hacer una obra de arte.</p>
Sweet Science	Completed Second Grade (Ages 7-8) (Edades 7-8)	June 16-20 Junio 16-20	<p>Feed your sweet tooth and your brain as you cook up delicious goodies with science. Experiment with sugar and chocolate to make fudge. Build gingerbread houses with edible windows! Fool your taste buds and your senses. Design and "market" your own candy bar!</p>
			<p>Alimenta a tu goloso y a tu cerebro mientras cocinas deliciosas golosinas con la ciencia. Experimenta con azúcar y chocolate para hacer fudge. ¡Construye casas de pan de jengibre con ventanas comestibles! Engaña a tus papilas gustativas y a tus sentidos. ¡Diseña y "comercializa" tu propia barra de caramelo!</p>

CAMP Hours: 9:00AM-4:00PM
